Message From the President

In our daily life, we can smile when all the factors are completed with splendid behavior, healthy heart and body and proof of happiness which we can bring only when we get together with someone.

At any circumstances, we believe smile surely come. With this belief, we wish to continue to pursue our mission to give smile to you and your important people.

Import Business of Egyptian Raw Materials

We are handling various food products such as herb, vegetable, oil and fruits assigning farmers on contract base. We can offer good quality at cheap price. Products varies from organic to regular item. Beside we can offer products from Egypt to other countries and we are always at your service of interested.

Development and Sales of Health Food Products

Our main products [**Sukkiri Megumino Aojirutsubu**] -Refreshing Blessed Green Vegetable Powder in Tablets are chemical-free and additive-free and made from mulukhiya, Jew' s mallow of Egyptian origin, mixed with lactic acid bacteria. We can offer wholesale and in bulk. We can always accept production on your original standard upon your request.
